

# You're Welcome!

## APARTMENT LIVING/RENTALS

There are many complexes in and around Gainesville. We suggest making an appointment to look at several apartments before making a decision. These are just a few of the rentals that are in close proximity to the Northeast Georgia Medical Center, downtown shopping, dining and also some that are directly on the lake. House rentals are also available, which many of our realtors can assist you with both rental and/or purchase options. Below are a sampling of apartments and also real estate companies that can assist with your housing needs.
